

POWAY BASEBALL

SPONSORSHIP OPPORTUNITIES

2024-25

OUR TEAM

The Poway High School baseball program, led by head coach Caleb Allen, is an award-winning, Division I program dedicated to developing not only exceptional players but also outstanding individuals. With a strong emphasis on athletics, character development, and academic achievement, we empower our players to be champions both on and off the field. Your tax-deductible contribution will help Poway continue to provide a quality program and address financial gaps not covered by the school district while exposing your business to the Poway community with exclusive advertising opportunities. We hope you will support our efforts by sponsoring the Poway High School baseball program. Thank you for your consideration!
